MEAT ✓ LEFTOVERS

Prep **20 min** Cook **35 min** Total **55 min** Serves **4**

Ingredients

- **1/4 cup** oil
- **1** onion — sliced
- **4** chicken thighs — cut up
- **1** large carrot — julienned then chopped
- **3/4 tsp** cumin seeds
- **2 tsp** salt
- pepper
- **1 cup** chickpeas (or 1 can)
- **2 cup** water (for the oven version use 1/4 cup)
- **5 cloves** garlic — minced
- salt (for the garlic sauce)
- **1/4 cup** oil
- **2 1/2 cup** rice

Instructions

1. Heat the oil; add the onion and chicken and mix for 5 minutes. Add the carrots, chickpeas, salt, cumin, and water. Bring to a boil, then lower the heat.
2. Add the rice and mix, then bring to a boil again and lower to a simmer for about 20-25 minutes. Add the garlic and mix.
3. Alternatively, mix everything together and place in a 350°F oven for 1 hour, mix, then bake again for 30 minutes. Add the garlic at the end of cooking.
4. For the garlic: in a small saucepan, heat the oil until hot. Add the garlic with salt and cook for 30 seconds. Take off the flame and add to the rice.

Stovetop method says 'Add 3 cups rice' while the ingredient list says 2½ cups — kept both as written. Oven temp written as '35 degree' — interpreted as 350°F.
