Ingredients

- **3** egg
- **1 tsp** olive oil — or butter
- **1 pinch** salt
- **1 pinch** black pepper
- **1 tbsp** shredded cheese
- **2** mushroom — sliced
- **2 tbsp** onion — diced
- **2 tbsp** bell pepper — diced
- **1 handful** baby spinach
- **1 tbsp** fresh herbs (parsley, chives, or dill) — chopped
- **2 tbsp** tomato — diced

Instructions

1. Whisk the eggs with salt and pepper until fully combined.
2. Heat the oil in a nonstick skillet over medium heat. If using onion, pepper, or mushrooms, sauté them 2-3 minutes first and set aside.
3. Pour in the eggs and tilt the pan to coat the bottom. As the edges set, lift them gently with a spatula and tilt the pan so the runny egg flows underneath.
4. When the top is almost set, add your fillings over one half.
5. Fold the omelet in half, slide onto a plate, and serve.

Everyday staple. Pareve as written — a cheese omelet is dairy.
