PAREVE

Prep — Cook **15 min** Total **15 min** Serves —

Ingredients

- **1 pound** brussels sprouts — trimmed
- **1 large** sweet potato (1 pound) — peeled and chopped into 1-2 inch pieces
- **2 cloves** garlic — smashed
- **1/4 cup** olive oil
- **3/4 tsp** cumin
- **1/4 tsp** garlic powder
- **1/4 tsp** salt
- pepper, to taste
- **1-2 tbsp** red wine vinegar, to taste

Instructions

1. Preheat your oven to 400°F.
2. Trim the brussels sprouts by cutting off the little brown ends; pull off any yellow leaves. Cut any large ones in half and add to a large bowl.
3. Peel the sweet potato and chop into 1-2 inch pieces; add to the bowl.
4. Smash 2 cloves of garlic and add to the bowl.
5. Pour the olive oil over the vegetables, add the cumin, garlic powder, salt, and pepper to taste, and stir to coat.
6. Line a large sheet pan with foil and drizzle a little olive oil on it, rubbing it all over (or spray well with nonstick spray). Pour the veggies onto the pan.
7. Roast at 400°F for about 15 minutes — the veggies are done when browned and a fork slides in easily.
8. Transfer to a serving bowl and toss with 1-2 tablespoons of red wine vinegar to taste.
