Cheesey Garlic Bread

DAIRY

Prep **25 min** Cook **20 min** Total **45 min** Serves **8**

Ingredients

- **8 tbsp** unsalted butter — melted
- **4 cloves** garlic — grated
- **1/2 cup** Parmesan — grated
- **1/4 cup** flat-leaf parsley — firmly packed, chopped
- **1/4 tsp** kosher salt
- black pepper — generously ground
- **1** baguette or rustic crusty loaf
- **1/2 lb** fresh mozzarella — thinly sliced

Instructions

1. Heat the oven to 400 degrees. In a small bowl, stir together the butter, garlic, Parmesan and parsley. Add the salt and generously season with pepper. Set aside while you cut the baguette.
2. Cut deep slits into the baguette, 1-inch apart — don't cut all the way through the loaf — and place the baguette on a large piece of foil. Using a teaspoon or an offset spatula, generously spread the seasoned butter inside each slit, reaching the bottom of each slit.
3. Wrap the baguette in the foil, place on a baking sheet and bake for 15 minutes. Unwrap the top (leave the bread on the foil). If adding mozzarella, gently open each slit and tuck in a piece of mozzarella. Return to the oven and bake until crisp and golden on top, another 5 minutes. Slice with a serrated knife (or tear with your hands) and serve at once.

Tips

- **Make ahead:** The butter can be made 2 days in advance; let come to room temperature before using.
